Re: City Council Election of May 2011 – Report on Candidate Compliance with Hoboken Code Section 20A-22D  
Date: April 29, 2011  
cc: James Farina, City Clerk and Mark A. Tabakin, Corporation Counsel

Please be advised, pursuant to Hoboken Code Section 20A-22D, all candidates for municipal election are required to submit copies of all ELEC forms to the Pay-to-Play Compliance Officer concurrently with filing the documents to ELEC. This requirement became effective as part of adoption of Ordinance No. Z-89; therefore, **any filings with ELEC prior to March 14, 2011 were not required to be concurrently filed with the City of Hoboken.** Pursuant to N.J.S.A. 19:44A-1 et seq., candidate committees should file (1) a D-1 form with ELEC when they form their candidate committee on or before the date of the first contribution to the candidate, (2) an R-1 form on the 29<sup>th</sup> day before the election, and (3) an R-1 form on the 11<sup>th</sup> day before the election. This document relates to those filings, as described in the New Jersey Statutes.<sup>1</sup>

Please accept this document as the record of compliance with Hoboken Code Section 20A-22D by each registered candidate for the Hoboken City Council Election of May 2011.<sup>2</sup>
