Mayor Dawn Zimmer
Hoboken City Hall
94 Washington Street
Hoboken, NJ 07030

Dear Mayor Zimmer:

I would like to express my enthusiastic support for the Washington Street Revitalization Project, as outlined in your recent proposal.

As a long-term resident of the city, as well as the leader of a local elementary school, I am eager to see improvements in traffic flow and pedestrian and bike safety on our city's main thoroughfare, as well as a solution to the flooding that presents an ongoing challenge.

The Washington Street redesign presents a comprehensive plan to address all of these issues, and I believe it will allow for both better quality of life for our residents, as well as a more attractive—and safer—destination for employees and visitors alike.

I am pleased to lend my support to this project, and I look forward to seeing it unfold.

Thank you for making this a priority for Hoboken!

Best,

Jen Sargent
