RE: Application USDOT TIGER Grant for Washington Street

Dear Mayor Zimmer,

The Hudson TMA supports the City Of Hoboken's application for funding through the 2015 TIGER Grant for the Washington Street Revitalization Project.

As the Transportation Management Association for Hudson County, we acknowledge the mobility challenges experienced by the residents and employees in the City of Hoboken. In recent years, your administration has taken great strides in providing best practices in Transportation Demand Management to help alleviate congestion and promote alternate modes of transportation for residents, commuters, tourists and other travelers. As Washington Street is the major thoroughfare for Hoboken, it is vital that the Washington Street Revitalization Project be fully funded. This project will greatly address current traffic and safety issues as well as provide greater opportunities for walking and bicycling.

Very truly yours,

Jay DiDomenico  
Director, Hudson TMA
